TWELVE SPEAKERS IN FINAL CONTEST

Good Speaking Promised for 11 O'clock Saturday—Six Preliminary Contests Held

BINGHAMTON LAST WEEK

The 19th annual Hamilton Interscholastic Prize Speaking contest, at which twelve high school youths from all over New York State and Northern Pennsylvania will compete for prizes of $20 and $10, will be held in the chapel at 11 o'clock Saturday morning. Classes will be omitted from 10:30 on.

Fifty Three Contestants

Alumni who have conducted the six preliminary contests, under the supervision of Field Secretary Mattoon, assure the college that competition in the finals should be unusually keen this year for most of the prize-winners have taken awards before and are experienced speakers. Fifty-three appeared in the preliminaries, of whom two from each district were chosen to participate in the contest Saturday. Preliminaries were held in Rochester, Auburn, Rome, New Rochelle, Binghamton, and Utica.

Two contests were held last week. In Binghamton, Mr. Lawrence Coughlin of Wilkes-Barre High School was awarded first prize; his subject was "Liberty—Orville Dewey." Mr. W. Pearson Tolley of Binghamton took the second prize, speaking on "I Am An American." Mr. Joseph Scavetta of New Rochelle was awarded the first prize in the preliminaries held there, and Mr. Thimber Bigerce of Irvington High School took the second prize.

The Final Speakers

Other succesful contestants whose names have been previously announced are: Mr. Bruce Lowery of Cazenovia and Mr. Anthony Contigula of Auburn, representing the Auburn district; Mr. Karl Lebrecht of Palmyra and Mr. Eaton Hammond of Fairport, representing the Rochester district; Mr. Oliver Menard of Frankfort and Mr. Charles Killeen of Boonville, representing the Utica district; Mr. John Evans of Holland Patent and Mr. Karl Stern of Clinton, representing the Rome district.

NINE WILL HAVE CHANCE TO "COME BACK" AGAINST SYRACUSE THIS AFTERNOON

The local nine will be seen in action on the home diamond for the first time this afternoon at 4 o'clock, when they line up against Syracuse for a return game. With Baumler in the box and a tight field behind him, indications point to a close game with odds about even.

Brown and Baumler in Box

Syracuse played Colgate yesterday with Zacardo pitching. Capt. Brown, who faced Hamilton batters Saturday, will be in the box again today. Although he had lots of "steam," he was not a difficult problem for the local batsmen, who touched him for 11 hits—three of them for two bases.

Syracuse has a hard hitting organization, but with Baumler pitching up to his standard of the Rochester game, when he was credited with 12 strikeouts, everything points to a much closer contest than Saturday.

St. Lawrence Saturday

St. Lawrence will appear on the Hill Saturday for the first time in several years. So far this season the northerners have lost two games, losing to Colgate 3-2 and R. P. I. 9-2. In the Colgate game, St. Lawrence secured 9 hits to their opponents' 7, but lost the game by poor base-running and errors. Goldsmith pitched good ball, three of the seven hits being of the scratch variety. At Troy, he held the Engineers to five scattered hits in seven innings, but in the seventh he was supplanted by Miller, who allowed seven runs to cross the plate in the last two frames.

BULL, '18, IN ORDNANCE DEPT.

Walter D. Bull, '18, left Friday evening to join the Field Service Branch of the Ordnance Department at Fort Slocum. Bull went to Syracuse Friday morning to try his physical examination and was accepted. He was to have another examination at Fort Slocum. Bull was captain in the College Batalion, Vice-President of the senior class, manager of the Musical Clubs, acting president of Charlatans, and a member of D. T.

GERMAN PROFESSORS LOYAL

Condemnation of the German Government's part in provoking or permitting the present world conflict, and firm adherence to the ends for which the United States entered the war, are set forth in a declaration of principles, made public last Saturday by 18 members of American college and university faculties who are of German birth. Professor H. C. G. Brandt was one of the signers.

"Prex" Stryker Welcomed In Chapel Service Sunday

Delivers Inspiring Sermon—Rev. Willis H. Butler of Boston, Next Week

Ex-President M. W. Stryker, '72, of Rome, preached an inspiring sermon in Chapel Sunday morning from the text, Romans 8:14, "As many as are led by the spirit of God, they are the children of God." Beginning with the theme "The essential thing in religion is communion of interest with God," Dr. Stryker connected it with the individual of today, and especially with young soldiers in the present conflict.

He said, in part: "We find we are being thrown upon a new interpretation of the world. The theorem of the world is God. Politics and battles are corollaries. The world is upwaking and entering upon a new spiritual probation. We are being forced upon a new appreciation of death—not as an end, but as a beginning. There is no death. It is only a threshold to step beyond. With death, it does not make so much difference when, as how. This is a great renaissance of youth, in which young men are being led by God more than in times of peace. We can look beyond and see the new world which is approaching."

Dr. Stryker officiated at the communion service Sunday afternoon.

The preacher for next Sunday is Rev. Willis H. Butler, pastor of the New Old South Church, of Boston.

TEAM WINS AND LOSES ON TRIP

Baumler Pitches Good Ball at Rochester—Heavy-hitting Syracuse Nine Swamps Locals on Saturday

12 STRIKEOUTS FOR BAUMLER

The baseball team broke even on its weekend trip to Rochester and Syracuse, crowding out the former 7-6, and being swamped Saturday in Syracuse, 20-4. The hitting of the team picked up considerably over the trip of two weeks ago, but the fielding was poor. With perfect support Baumler could have whitewashed Rochester. At Syracuse Lawler proved ineffective and walked seven men.

Hamilton Wins in Eighth

Hamilton helped Rochester open up the new University Field, which was in perfect condition. Both teams started off strong and at the end of the second inning the visitors were leading 5-4. At this point the playing settled down. Rochester tallied in the fifth and seventh holding a one run lead. Bratton, pinch hitting in the eighth, scored the two winning runs with a long sacrifice fly.

Baumler struck out twelve men against five for Miller of Rochester. Lawler put in a good day's work catching five drives to right field without a slip and Johnson stopped some bad throws toward first. Outside of the first two innings Baumler kept the Rochester batters well in hand. The score:

THREE DUAL MEETS ON SPRING TRACK SCHEDULE

Mgr. Atwood has completed his track schedule, which calls for three meets. This was a very difficult proposition because many college have discontinued track this year, while others were uncertain until late in the season. The schedule follows:

May 18, R. P. I. at Clinton.
May 25, Rochester at Clinton.
May 30, Union at Schenectady.

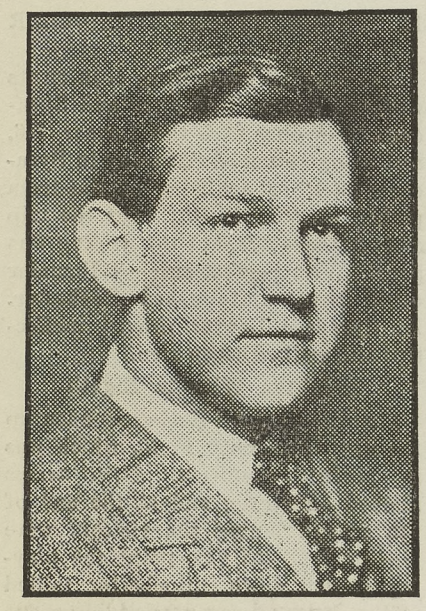
The discus throw, an event which was discontinued here several years ago, has been revived, and will appear on the programs this year.

Among the track improvements are 43 new hurdles, a new hammer, and new jerseys with the aHa insignia. A sprinkling system is now being installed on the track. Lanes will be marked on the straightaway as soon as the cinders settle.

FORMER TRACK COACH TO WORK AMONG SOLDIERS

Floyd Risley, Far-famed Jumper, to Leave Soon for Overseas Y. M. C. A. Work.

Among the 130 coaches and athletes who are soon to embark for France with the first contingent of Y. M. C. A. athletic workers, is "Floyd" Risley, former coach of Hamilton track teams, and well known in local track circles. Risley was mentor for the local harriers for six continuous seasons, and during that time turned out some of the best teams in the history of the College. He severed his connection



FLOYD RISLEY.

spected as knowing his business. He always stood for clean athletics and was a firm believer in strict training rules. His methods got results. During his five years of active work on the Hill, he developed a number of real 'stars', many of them from green and inexperienced material. First on the list stands "Fritz" Lee, '15, record quarter miler. Others include Shepard, '17, Nichols, '16, Potter, '15, Shields, '17, Banks, '16, and Jessup, '14.

In his younger days, Risley had an interesting career of his own as a track athlete. A decade ago, his ability as a jumper made him one of the most widely known college athletes in the country. His career came to with the Hill early last spring, when the college voted to discontinue track in favor of military drill.

"Floyd" was popular with every man who worked under him, and rean end suddenly when his knee was injured by the collapse of a floor in Boston in 1908.

Risley has always lived near Hamilton, doing his preparatory work at Colgate Academy, from which he was graduated in 1903. He then spent a year at Mercersburg, completing a course for entrance to the University of Pennsylvania. While here he broke the Cornell Interscholastic records in the high and broad jumps, with 6 feet and 22 feet 5 inches. The Princeton records also fell before his leaps of 6 feet 2 inches, and 22 feet 3 inches. At the Pennsylvania Interscholastic meet, Floyd broke the world's Interscholastic broad jump record with a leap of 23 feet 1 inch.

He entered Pennsylvania in the fall of 1904. He remained here 3 years, running his mark in the high jump up to 6 feet 2½ inches. While jumping in the summer for the Irish-American Club of New York, Floyd captured the world's hop, step, and jump record by covering 49 feet 9½ inches. He completed his college course at Colgate, where in an interclass meet he won 6 first and a second out of 7 events, breaking three Colgate records. In February, 1908, while jumping for Colgate at the B. A. A. games in Boston, Risley ended his career on the track. Just as he alighted after clearing the bar, the flooring gave way. He fell through, shattering his knee and rendering it useless for further jumping. He immediately went West to recuperate, and spent the spring assisting Castleman coach the University of Colorado. For the first time in its history that institution beat Leland Stanford.

Risley is a good organizer and will without doubt make good at his new work among the soldiers overseas.

Merwin H. Nellis, '06 of Albany and Johnstown, is going into the same line of work. In college he made a name for himself as a football player, being one of the best centers Hamilton ever turned out. The contingent will be headed by David Fultz, former president of the Federal Baseball League.

For 1922

This week-end will be the most important one of the spring, because a large part of the class of 1922—Hamilton's most important class—will be visitors on the Hill.

Baseball games and track meets may be won or lost, bringing their joy or gloom, but the College quickly recovers and goes on its normal course. Without a freshman class we would not exist.

War days are crucial times for all colleges. If the past year has been difficult, next year will be even more so. The present outlook points to a senior class ranging somewhere between a dozen and a score. A freshman class is always important. Next year it will be all-important. We must always have the usual freshman class. Next year we must have an unusual one.

What are you going to do about it? The publicity committee has labored all year, and has strings on a large number, many of whom have already signed up. The majority of these men will be on the Hill this week-end, and it is up to everyone to give them a good time. You owe it to the visitors, to Hamilton, and to yourself.

We believe that Hamilton is just about right or we would not deserve the name of Hamiltonians. One way to show loyalty to our Alma Mater is to work for it. It ought not to be hard for a Hamilton man to talk Hamilton. This week-end will be your chance. Forget your own pleasures for a while and show the visitors what Hamilton is, and make them feel themselves already a part of it.

TEAM WINS AND LOSES ON TRIP

Powers, 2, Fursman, Marks, Wattell, Richards. First base on errors, Rochester, 1; Hamilton, 4. Hit by pitched ball, by Miller, 1, (Pritchard). Struck out, by Miller, 5; by Baumler, 12. Left on bases, Rochester, 2; Hamilton, 3. Wild pitch, Baumler. Passed ball, O'Connor. Umpire, Courneen.

Lawler Ineffective

The twenty hits which Lawler allowed Syracuse coupled with half a dozen errors and seven bases on balls, were enough to scatter twenty runs for the Orange, through the eight innings. Hamilton started off with three runs and Syracuse came back with five and was never headed. The eighth was especially disastrous, nine men making the circuit. Pritchard had a perfect day at the bat and Fursman and Powers each accounted for two safeties. Powers made four misplays at third and Johnson was accredited with two errors. The score by innings:

	R	H	E
Hamilton—3 0 0 0 0 1 0 0 0—4	11	6	
Syracuse—5 0 1 1 2 2 0 9 x—20	20	3	

Two-base hits, Pritchard, Cavanagh, Schwarzer, Powers. Three-base hits, Steele, Brown. Home runs, Harris, Brown. Stolen bases, Finsterwald, 2; Harris, Lowe, 2. Sacrifice hits, Schwarzer. Double plays, Brown to Schwarzer to Steele. Left on bases, Syracuse, 9; Hamilton, 9. First base on errors, Syracuse, 4; Hamilton 1. Base on balls, Brown, 4; Lawler, 7. Hit by pitched ball, by Brown (Powers). Struck out, by Brown, 7; by Lawler, 7. Umpire, Van Arnum.

FERGUSON, '19, AND TURNER, '20, TO LEAD MUSICAL CLUBS

At a meeting of the Musical Clubs last Thursday, Leonard C. Ferguson, '19, of Hammond, was elected leader of the Glee Club, and Theodore S. Turner, '20, of Seattle, Wash., leader of the Instrumental Club for next year. Ferguson sings first bass and has been a member of the Glee Club since his freshman year. He is also a member of the College Quartette. Turner has played first violin in the Instrumental Club for two years.

FROM R. P. I. "POLYTECHNIC"

"Coach Batchelor has been working hard to get the men who turn out, in shape. Material is lacking in the sprints and half mile. Over fifty men signed up for track, but only a dozen are turning out."

—Three full cuts are the term's allowance for military drill, with two morning periods equalling one cut.

TRACK CANDIDATES WORKING FOR MEETS

Sprints and Broad Jump Strongest Events—Intramural Meets "Finding" Men

About thirty track candidates are reporting regularly, and although few stars have appeared, Mr. Prettyman expects to have a fairly representative team ready for the first meet a week from Saturday. The intramural group track meets are serving their purposes of getting the men out for practice regularly, and "finding" all "dark horse" track material.

The sprints have a number of fast candidates in Moore, Reed, Burke, Peters, and Holler. All five have been covering the 100 and 220 in good time. Kneeland and DeSantis will bear the brunt of the distance work. Both are doing the mile around 5:20, and with a faster track and another week of training, can be counted on to bring this nearer the even minute mark.

Kingston, A. R. Thompson, and Rice are bettering five feet in the high jump, while Ludlow and Van Kennen are working between 9 and 10 feet in the pole vault. Moore, Couper, Keane, and Pritchett are the quarter milers, with Kneeland, DeSantis, McWilliams, and Pritchett candidates for the 880.

The broad jumpers are showing up well, with Valentine, Moore, Jones, Kingston, and MacLachlan bettering 19 feet. The low hurdles have brought out Valentine, Seaver, Fletcher, and Wynkoop. Jones, Van Kennen and Thompson are topping the tall timber. McWilliams, Insley, Bolenius, Burke, and R. Kaiser, will take care of the weights.

SECOND OLDEST ALUMNUS DIES

Henry H. Thompson, '43, the second oldest living graduate of the college died last Thursday at his home in Passiac, N. J., in his ninety-fifth year. He was chief clerk in the office of Secretary of the Treasury Francis Spinner in 1863 and was later Assistant Treasurer of the Erie Railroad. At the time of his death he was Secretary of the People's Bank and Trust Company of Passiac. He was born in Pompey, Onondaga County, N. Y., in 1823. He was a member of Alpha Delta Phi.

COLLEGE NOTES

—Francis P. Baumler, '20, of Clinton, has been pledged Delta Upsilon.

—McKenzie and Throop, '21, will manage the College Book Store next year.

—Couper, '20, and Harper, '21, have been elected elders of the College Church.

—About twenty sophs and frosh hiked with Mr. Prettyman to Prospect Point on Sunday afternoon.

—Because of its large size, the History Club has been divided into two sections, one meeting on Friday evening at 7:30 in the Library, and the other at 1:30 on Saturday afternoon.

—The Reading Club, otherwise known as the "Jabberwauks," met in Alpha Delt Hall Friday evening. Weaver, '20, gave a talk on "Vers Libre," and read examples of the various tendencies in the new poetry movement. The next meeting will be held May 16, at Chi Psi Lodge.

Spice o' Life

Weakly News

The Blue has met the famous Buff,
And still knows no defeat;
They claim their runners have the "stuff"
To win in every meet.

Of late the Grays are pulling strong,
On track and diamond too;
It surely didn't take them long,
The White teams to undo.

As starter, Super fired the gun,
And tho it may sound "thinnish",
He also was the very one,
To judge the hundred's finish.

Another trip our nine has made
Their skill abroad to show;
At Syracuse they were way-laid,
But licked their other foe.

We soon will see Sub-Freshman Day,
So decorate with banners;
Think up some gentle games to play,
And don't forget your manners.

BLUE AND GRAY TEAMS WIN IN GROUP TRACK

Moore and Reed Make Fast Time in Sprints—Few Competitors Saturday

Gray	2	0	1.000
Buff	0	2	.000
White	0	2	.000

Intramural track last week brought another set of victories for the Blue and the Gray teams. Thursday afternoon the Blues defeated the Buffs 62-45 and on Saturday the Grays worsted the Whites 71-26. The first meet between the Blue and Buff teams was a close contest throughout. More men were entered and the competition was closer in this meet than in either of the previous ones. Burke was high scorer, with 11 points to his credit, while Kneeland showed up well by winning the mile and the 880.

The second meet, in which the Whites suffered defeat at the hands of the Grays, was more or less of a walkaway for the winners. The Grays won every event with the exception of the 440, which went to Couper. Moore made good time in the 100 and Reed covered the 220 in 23-4. Few men were entered, and the pole vault and high and low hurdle events were omitted.

Battalion Progressing In Outdoor Work

Three Seniors, With Young, '17, and Jessup, ex-'18, Probable Quota to O. T. C.

The drill of the College Battalion for the past week consisted entirely of close order work. Emphasis was placed upon squad and platoon movements and the manual of arms. On Wednesday morning, the two companies were taken out on the athletic field and lined up in battalion front, which is the formation for retreat.

Thursday morning's period was occupied by inspection of arms and equipment. On Friday, most of the time was spent in practising marching and halting. Corporals took their squads out alone for the first part of the period, and put them through the manual of arms and simple squad movements.

The training class for seniors who are trying for appointments to the Fourth Officers' Training Camp is meeting regularly every evening except Saturday and Sunday in Science Hall.

The final selection of candidates for the training camp has not yet been announced, but it is known that the names of Young, '17, and Griffith, Hasbrouck, Jessup, Link, Lowell, and Moore, '18, are being considered. Young is doing government work in Washington, and Jessup is with the infantry at Spartanburg.

PREX SPEAKS IN WATERTOWN

Dr. Ferry addressed the annual meeting of the Phi Beta Kappa Society at Colgate University yesterday. The meeting was held in connection with the commencement exercises of the university, which are being held this week.

Last Thursday Dr. Ferry went to Watertown on a two-day speaking tour. Thursday night he spoke of "The Value of a College Education" before a men's club in that city. The Rev. Darwin F. Pickard, '97, and Frank S. Tisdale, '88, Supt. of Schools, arranged his appearance there. Friday Dr. Ferry addressed the Jefferson County Teachers' Association on "Colleges and the War."

GRAY TEAM WINS IN SEVEN INNING GAME

Moore Pitches Team to 10-5 Victory —Next Games Thursday

On Friday afternoon the Gray and White nines clashed in a seven inning game on the varsity diamond, the former winning 10-5. Both teams held tight in the first inning, promising a close contest. With the opening of the second, the Whites cut loose and brought in three runs. The Grays turned the tables and six men crossed the plate. In the third, the Grays added three tallies. The fourth and fifth innings passed uneventfully, but a rally in the sixth netted two more runs for the Whites. At the beginning of the seventh, the score stood nine to five. The Grays scored one, and the Whites were unable to gain.

Gray, Van Auken, and Stone formed the battery for the Whites, and "Frankie" Moore tossed to Van Hoesen and Hutchins for the Grays. Throughout the whole game there was but one hit for more than one base. In the second inning Parks swung for a two-sacker, with a long hit to center field.

HAMILTONIAN READY FOR JUNE "LIT"

The 1919 Hamiltonian will appear in condensed form in the June issue of the Hamilton Literary Magazine. It will occupy half of the present size of the College monthly. Editor Parks has collected all the material for the Junior publication and has it ready for the printers. No scurfs or other matter of a humorous nature will be published this year. Only such records, facts, and lists of honors and honored men as it is necessary to keep on file, will appear in the June "Lit." Full-page photographs of the "Lit" board, the four classes, and the football team, and a new cover will adorn the pages of the June number. The Junior class of Vermont University has published its annual in a similar form, in order to decrease expense in wartime.
